SPECIFICATIONS

Includes all standard equipment listed below F.O.B. Marion, SC

The Beneteau 411 offers an amazingly spacious interior with beautiful, rich woodwork while providing performance and true ease of handling on the water. Her sharp lines and sumptuous comfort may catch your eye first, but it will be her sailing performance that confirms her rightful place in the Beneteau family.

CONSTRUCTION:

HULL: Laminated G.R.P. hull with internal fiberglass grid, reinforced with unidirectional rovings.

DECK: Balsa sandwich for stiffness, thermal and acoustic insulation, 360° bonded bulkheads.
