Dear Dick and Dianne,

We wanted to send you a quick note to thank you for making our first yacht buying experience so enjoyable. As a new-comer to yacht ownership, you made us feel at ease throughout every step of the buying experience. By analyzing our needs and comparing those to many of the yacht styles for sale, you made us feel very comfortable with our decision.

Now that we own the beautiful Sea Ray Motor Yacht that you sold us, we are most thankful for your continued help, advice, service and friendship that have well exceeded our expectations. It is always nice to know we can call you and tap into your many years of experience to help save us time and money.

Please consider this an open invitation to come by anytime for wine and snacks.

Thanks again for all your help
