460 SUNDANCER® • SPORT YACHT • 1999 SPECIFICATIONS

The luxurious helm area pampers the captain with a custom slide/swivel seat with armrests, Eurostyle companion seat, wood-accent steering wheel and a full array of instrumentation including Raytheon electronics.

There's spacious U-shaped cockpit seating with an electrically actuated retractable sun pad, and moveable cockpit table.

A tasteful lighting scheme, handcrafted wood finishes, and custom drapes and miniblinds add elegance to a spacious cabin. The salon sofa converts into a sleeper, and there's room for a washer/dryer.

The large galley is fully equipped for hungry seafarers, with a three-burner stove, microwave, refrigerator/freezer, and coffee maker.

Note: Shown with optional Vitricor®

The private mid-stateroom cooies passengers with an electric convertible sleeper, voluminous storage space, and entertainment from the TV/VCR/radio combo.

The master stateroom is a masterpiece of comfort and style, with a full-size bed with coordinated pillows and liners, vanity, private head and shower, tremendous storage space and a TV/VCR/radio combo.
