SUNDANCER®

Sea Ray®
2012

Our 470 Sundancer is an instant classic, packed stem to stern with winning design features and innovations, including standard Zeus® pod drives with an intuitive helm joystick for stress-free docking. Plus, there's an enclosed bridge with two independently retractable sunroofs, offering the ultimate in weather protection and climate control. This luxurious Sundancer will change the way its owners boat forever, guaranteed.

Elegant and functional, the helm features SmartCraft® diagnostic instruments with VesselView display, a VHF radio, and Zeus joystick for unmatched maneuvering at slow speeds.

The galley has a full suite of appliances — microwave/convection oven, coffeemaker, stainless-steel refrigerator/freezer, two-burner stovetop — plus amazing work and storage space.

You could stay at a resort on shore, but why bother when you have a truly inviting forward master stateroom with island-style berth and 22" flatscreen TV with DVD player.

The master head offers private convenience for owners and is accented by a gorgeous mirrored vanity. A separate shower compartment with tile flooring is opposite.

There's a reason why the salon of the 470 Sundancer seems so bright and roomy. Namely, two oversized hull windows, light Ultraleather™ upholstery, and gleaming hardwood cabinetry.

The mid-stateroom boasts twin beds that convert to a queen, plus there's a mirrored vanity and sink outside the private mid-stateroom head/shower compartment.
